## **Germany (Again) – 39 Calves Die In Burning Transporter**

*Thanks to 'D', our correspondent in Germany.*

**39 calves died in the burning truck after the animal transporter hit a building site vehicle at 0330hrs. Both vehicles caught fire and burned down completely. 178 calves were saved by the fire brigade and locals on site. The 19-year old driver (!!!) and 70-year old co-driver (!!!) saved themselves without injury.**

*The calves have since been loaded onto a different truck and taken .... wherever – there is no further information about this.*

*The “material damage” (the most important thing under the ‘Merkel government’) is quoted as approx. 120,000 EUR.*

*Utterly disgusting. The narrator of the video (German tv) might as well be speaking about a load of cauliflower –for all the sentiment he shows.*

**This is the second calf transporter which has crashed in Germany in almost as many weeks. This time a 19 year old driver behind the wheel; last time a 20 year old driver who fell asleep at the wheel.**

**Below is part of our post from the previous incident in Germany – go to KAALE web site ‘News’ to see more on the previous accident - <http://www.kaale.org.uk/news.html>**

### **Previous German Calf Transporter Crash**

***A Transporter carrying 320 calves from Dresden/DE to Belgium turned over on the Motorway A38, Sachsen-Anhalt, during the night.***

***The 20-year old driver fell asleep at the wheel and lost control.***

***140 calves did not survive and the injured were slaughtered on site. The carrier was a company in the Netherlands.***
