*Please watch the speech by Mr. Wollen at the 'Ban Live Exports' Rally held in Adelaide, Australia very recently.*

*With animals having left Ramsgate last Friday; and more shipments planned this coming week, all destined for ritual slaughter in Europe, the words expressed by Mr. Wollen can just as easily be applied here to any UK and European politicians who support this disgusting and vile trade.*

*In his speech, Mr. Wollen makes a very factual, accurate and hard hitting attack on the live animal trade and all those involved with it.*

*Please watch the speech by clicking on the following link:*

*Australia, UK, Europe – there is no difference when it comes to the suffering of live animals destined for long distance transport and eventual ritual slaughter – or any slaughter.*

*Your words are noted Mr. Wollen and will be echoed by European campaigners against the live export industry in the coming months. Thank You for such an excellent speech !*
